

The climate protection movement MYBLUEPLANET offers a permanent position as of June 2021 or by agreement as:

Regional Director Romandie 50%

Your role

Encourage people in the Romandie to live climate-friendly by

- building a team (of volunteers) and effectively engaging them in the long-term
- developing our local membership base
- raising capital for executing projects and programs
- implementing MYBLUEPLANET's flagship projects in the Romandie (adopted to the local audience)

Your profile

- Motivation for MYBLUEPLANET's mission and a strong desire to achieve its vision
- Hands-on experience in building and leading a team of interns and volunteers
- Proven capability of developing ideas and their underlying business cases and executing them effectively and efficiently together with a team
- Track record in raising funds (> 5-digit numbers) from third parties and in building a strong membership base (at least 50 memberships acquired in 2021)
- Excellence in stakeholder management, communications and relationship building
- Experience in defining processes and implementing simple but effective controlling mechanisms
- Native French and strong English skills, German skills of advantage
- Strong existing network in the Romandie with companies, public service departments, foundations, family offices and other potential partners of advantage
- Experience with design-thinking methods are of advantage

We offer

- A highly motivated, friendly team with flat hierarchies
- Becoming part of an ambitious climate movement
- Prospect of increasing your employment rate if fundraising goals are achieved
- The opportunity to play an active role in the long-term development of MYBLUEPLANET in French-speaking Switzerland
- Interesting subject area and a meaningful activity
- Workplace freely selectable with potential for arranging co-working space
